features

The building, steeped in tradition with an historic location in the middle of Berlin, is one of the city's leading cultural hot spots. A place that respectfully bows to history while offering a home of great significance to every type of event. The Admiralspalast features three individual venues: the grand auditorium with balconies, foyers and walkabouts, as well as the F101 on the 3rd floor and the Studio with its foyer on the 4th floor. We will gladly provide technical equipment to suit the individual needs of your event. We can highly recommend our inhouse-catering. It is possible to bring your own caterer for a buy-out fee.
